See Me

Hear Me

Talk To Me

Discussion will be conducted with trained facilitators in small groups, so everyone has a chance to be heard.

Afterwards, your right brain will be engaged in a free art and/or writing activity in response to your experience.

This discussion will be the first of four conversations on different topics in the coming months as part of a project "See Me, Hear Me, Talk to Me" funded by a grant from Arts in Society and facilitated by Western Colorado Writers' Forum.

Refreshments will be provided.
