Hope in action...moving forward!

HOPE

June 13th (Tuesday)
5:30 p.m. - 7:00 p.m.
The Art Center
1803 N. 7th Street
Grand Junction

Hope is an energy source that resides in each of us. It is a type of knowing beyond the five senses of touch, smell, sight, hearing, and taste. When we hold hope in our hearts and minds--when we hold the vision or dream of something new, better, and more life-giving--we are compelled to move toward it.

Afterwards, our right brain will be engaged in a free writing activity in response to our belonging discussion.

June 15th you are invited to a free art activity that will express "belonging" from 5:30-7:00pm facilitated by Joni Becker, ArtLight Therapy Studios (310 N. 7th Street/2nd floor).

No preparation is required. Refreshments will be available.

Community Connection Conversations provides a comfortable creative space to listen and discuss freely about a variety of topics and issues. It is a great way to meet new people and develop a better understanding of those in our community.

Everyone is welcome!
